

From your Executive Director

As we welcome autumn, we also welcome two new tenants to the Widows Home. Spirit, our medical transport company, is now leasing space in our basement, which allows them to expand their services into the Dayton market. In addition, Alpha & Omega, will now be running an outpatient therapy business from another section of our basement. These new partnerships will only benefit the Widows Home, and our neighborhood, in the years to come. Check out our new signage to be prominently displayed soon at our back entrance.

As the weather cools and is more comfortable to sit outside, we welcome our residents and visitors to sit out on our front porch, right off the parlor, to enjoy the antique furniture and the lovely fall weather.
